Publishers and readers are invited to send material for this column to Terry Link, Environmental Resources Editor, Electronic Green Journal, Main Library, Michigan State University, East Lansing, MI 48824-1048 USA. TEL: 517-355-1751 FAX: 5517-353-8706.

This column presents, in brief form, news reports, announcements, calls for papers, and lists of organizations, conferences, and publications of interest to Electronic Green Journal readers. Some publications cited in this column may be reviewed in later issues, but appear here to provide timely notice of new titles. Though most resources cited here are new, some are not, but are presented for the benefit of readers who may not already be familiar with them. Every effort is made to provide descriptive annotations when possible.
