Dedicamos este número de LUCERO a Steve Raulston, Kimberle López y Kenya Dworkin, primeros editores de nuestra revista. Cada uno inició una nueva senda en nuestros esfuerzos: Steve forjó nuestro LUCERO de la nada, creando un nuevo foro para intercambiar nuestras ideas; Kim continuó el trabajo en un momento en que había más interrogantes que certezas; y, Kenya, con tesón y asiduidad, logró darle forma a nuestras últimas incertidumbres. Por todo esto es que hoy, cuando están a punto de salir en busca de nuevos horizontes profesionales, LUCERO les da las gracias, porque su trabajo y dedicación han hecho posible nuestro futuro. Primavera 1993.

This issue of LUCERO is dedicated to Steve Raulston, Kimberle López and Kenya Dworkin, the first editors of our journal. Each one forged a new path in its production: Steve brought the journal to life, and created a new medium for the exchange of our ideas, where previously none had existed; Kim continued the work at a time when there was more doubt than certainty about its future; and, Kenya, with perseverance and diligence, succeeded in giving the journal a definitive shape and character. It is for all these reasons that today, when they are about to leave us in search of new professional horizons, LUCERO thanks them, because their work and dedication have made its future possible. Spring, 1993.
