

# WE'RE MAKING A CAREER OUT OF FINDING YOU A JOB.

We realize that finding a job is your #1 priority (after completing your UCLA degree, of course!) So, we're doing everything we can to make it easier for you. Here are four things-to-do that could change-your-life:

1. It's never too early to begin exploring your options. That's why we wrote the **UCLA Career Resources** guide to help you explore the opportunities right here on campus.
2. We've arranged hundreds of alumni for you to talk to about potential careers through the **SAA Career Network** program.
3. As you become a senior and new alum, we offer recruitment fairs called **AlumNet** so you can meet employers looking to hire UCLA grads.
4. And, throughout your **UCLA** lifetime, take advantage of **ProNet**, a computerized resume data bank that recruiting companies scan.

For information on any program, call us at 825-6460.
