

Thank you to our donors

2024-2025 Crowdfunding Donors

Dan Hui Fan and Erica Pan

Peter Kostelec

Lin Tan

Mark Ortega

The Berkeley Scientific Journal expresses sincere gratitude for the invaluable support provided by our donors and sponsors, without whom the existence of this journal would not be possible. We extend a thank you to the Molecular and Cellular Biology Department at UC Berkeley, our sponsoring department, and to our Academic and Staff Advisors, Dr. Caroline Kane and Dr. Keila Diehl. We especially thank Dr. Kane for her considerate stewardship of the publication as this is her last semester of being advisor for BSJ.
