ACKNOWLEDGMENT

This issue of *The Black Law Journal* is the result of the combined efforts of many people. We are grateful to the 1974-76 *Black Law Journal* staffs for their conception of and solicitation of articles for what was originally intended as two separate *Journal* issues, focusing on Entertainment and Sports Law and on Communications Law and Policy respectively. The current *Journal* staff prepared the articles for publication.

We are indebted to Derrick Humphries, who devoted much time and energy in his capacity as our communications advisor, and to Linda Tiggs and Marilyn Ainsworth for their guidance in all phases of this endeavor. Our thanks are extended to the authors whose articles appear here for their patience and cooperation throughout our long struggle to complete this issue.
