

RISING VOICES

By

Ahmed Saber

I stubbed

Against sealed souls of

Buried
Blubbering
Brains.

I heard

Vapid voices calling for

Faceless
Searing
Hands.

I whispered

Words of rising voices to

Booming
Bullied
Bodies.

I roamed

Beyond bolstering forces of

Bolted
Banned
Voices.

I voiced

Vociferous signs beneath the void of

Nothingness
Stillness
Of rising
Voices.
