***ufahamu-n.* [Swahili] understanding**

*Ufahamu*, UCLA's multidisciplinary Africanist student journal, seeks contributions that challenge broadly accepted conceptualizations of African studies. Since 1970, *Ufahamu* has maintained its original vision of creating a forum for protest against the increasingly western-dominated and exclusionary African Studies establishment. The journal continues to publish the work of those marginalized by the academic press—Africans, people of African descent, students, and non-academics. Together with our readers and contributors, we reaffirm our commitment to create intellectual linkages and feature current critical views.

*Ufahamu: A Journal of African Studies* is published by graduate students at UCLA. Views expressed in *Ufahamu* are not necessarily those of the Editors, the African Studies Center, or the Regents of the University of California.
