# A NEW LOOK for AAEM/RSA

**Innovate. Educate. Advocate.**

RSA is proud to unveil their new logo to represent the Resident and Student Association.

Keep your eyes out for a newly redesigned RSA website and online materials. Your RSA leaders are working hard to provide you with the best resources to meet your needs through innovation, education and advocacy.

## Join an AAEM/RSA Committee!

### **Advocacy Committee**

Committee members staff three sub-committees, focusing on patient advocacy, resident advocacy and political advocacy both at the state and national levels. Your activities include developing policy statements, outreaching to AAEM/RSA members about critical issues in emergency medicine, and collaborating with the AAEM Government Affairs Committee.

### **Education Committee**

Committee members plan and organize the resident educational track at the AAEM Scientific Assembly, which will be held March 16-20, 2017, in Orlando, FL. You will also assist with the medical student symposia that occur around the country.

### **International Committee**

The International Committee will have the opportunity to contribute to international medicine projects and resource development that are helpful and beneficial to students and residents.

### **Membership Committee**

The Membership Committee promotes our mission by building AAEM/RSA membership through recruiting, developing valuable member benefits, and communicating with residency program directors and chief residents. You will be involved with one of the most critical and exciting committees within AAEM/RSA.

### **Social Media Committee**

The newly formed Social Media Committee will concentrate efforts from the previous Communications and Publications committees. Members will contribute to the development and content of RSA's four primary media outlets: the RSA Blog Modern Resident, the AAEM/RSA website, Facebook and Twitter. The committee also oversees development and revisions of AAEM/RSA's multiple publications including clinical handbooks and board review materials. You will have numerous opportunities to edit, publish, and act as peer-reviewers, as well as work from the ground-up in developing AAEM/RSA's expansion to electronic publications.

**CHALLENGE  
YOURSELF AS  
A U.S. ARMY  
EMERGENCY  
MEDICINE  
PHYSICIAN.**

As part of the U.S. Army health care team, you can make a real difference treating the immediate medical needs of Soldiers and their families while also growing in your career:

- You'll work with the most advanced emergency technology and have the opportunity to experience a variety of settings.
- You'll develop as a leader, learn from the best and have the ability to make quality patient care your main focus.
- You'll receive excellent benefits such as special pay, as well as the potential for continuing education and career specialty options.

To learn more about joining the U.S. Army health care team, visit [healthcare.goarmy.com/fa09](http://healthcare.goarmy.com/fa09) or call 415-398-2329 or 714-953-9507.
