

San Diego Speakers Series

Keith Yablonicky, MD

CAL/AAEM Secretary-Treasurer

On December 2, California Chapter of the American Academy of Emergency Medicine (Cal/AAEM) sponsored the first San Diego Speakers Series. Both Cal/AAEM members and non-members gathered in the historic Veterans Museum in Balboa Park for several emergency medicine lectures, food, socializing and even a couple hours of continual medical education. Many thanks to Dr. John Love of the Naval Hospital for securing such a high quality venue and for giving a fantastic lecture on blunt head trauma.

Drs. Stuart Swadron and Mel Herbert were brilliantly entertaining and insightful during their lectures per usual. Local emergency department physicians from the San Diego area — a healthy mix of residents and attendings alike — enjoyed the nice mixture of education, networking and meeting of old friends. Thank you to all who attended for making this such a successful gathering. We look forward to seeing you next year.

CAL/AAEM would like to thank Dr. Keith Yablonicky for arranging and organizing the speakers series with great success.
