Since its inception in 1989, CORD has existed to promote the free exchange of ideas and solutions to challenges faced by emergency medicine educators. Over the past 25 years CORD's purpose has been to:

- ✓ Improve the quality of emergency medical care
- ✓ Establish and maintain high standards of excellence in emergency medicine training programs
- ✓ Enhance quality of instruction in emergency medicine training programs
- ✓ Improve the communications between the faculty of emergency medicine training programs
- ✓ Foster educational scholarship/research in emergency medicine
