Call for Papers
2016 *Academic Emergency Medicine* Consensus Conference
**Shared Decision Making in the Emergency Department:
Development of a Policy-Relevant Patient-Centered Research
Agenda**

The 2016 *Academic Emergency Medicine (AEM)* consensus conference, “**Shared Decision Making in the Emergency Department: Development of a Policy-Relevant Patient-Centered Research Agenda**,” will be held on May 10, 2016, immediately preceding the SAEM Annual Meeting in New Orleans, LA. Original

research papers on this topic, if accepted, will be published together with the conference proceedings in the December 2016 issue of *AEM*.

The consensus conference will convene major thought leaders and necessary stakeholders on shared decision making in acute care. Specifically, the conference will include patients, patient representatives from national advocacy organizations, emergency physicians, mid-level providers, emergency nurses, and researchers with expertise in shared decision making and patient-centered outcomes research, comparative effectiveness research, and health information technology. There will be clinicians across various disciplines such as emergency medicine, health services research, psychology, and quality improvement. Finally, the conference will include national policy makers, payer representatives, and other stakeholders with the expressed goal of developing a multidisciplinary, consensus-based, high-priority research agenda to improve and optimize shared decision making in the emergency department.

Consensus Objectives:

1. Critically examine the state of science on shared decision making in emergency medicine, and identify opportunities, limitations, and gaps in knowledge and methodology;
2. Develop a consensus statement that prioritizes opportunities for research in shared decision making that will result in practice changes, and identifies effective methodological approaches;
3. Identify and build collaborative research networks to study the use of shared decision making and patient-centered outcomes research in emergency medicine that will be competitive for federal funding.

Accepted manuscripts will present original, high-quality research in shared decision making in the ED, such as clinical decision rules, shared decision making, knowledge translation, comparative effectiveness research, and multidisciplinary collaboration. They may include work in clinical, translational, health systems, policy, or basic science research. Papers will be considered for publication in the December 2016 issue of *AEM* if received by April 17, 2016. All submissions will undergo peer review and publication cannot be guaranteed.

For queries, please contact the conference chair, Corita R. Grudzen, MD, MSHS (corita.grudzen@nyumc.org), or the co-chairs [Christopher R. Carpenter, MD, MSc](#) (carpenterc@wusm.wustl.edu) and Erik Hess, MD (Hess.Erik@mayo.edu). Information and updates will be regularly posted in *AEM* and the SAEM Newsletter, and on the journal and SAEM websites.

39TH ANNUAL
EMERGENCY MEDICINE IN YOSEMITE
January 13 - 16, 2016

Register online:

Emergency Medicine Fellowship Opportunities

UC Irvine Department of Emergency Medicine is seeking HS Clinical Instructors for fellowships starting July 1, 2016. UC Irvine Medical Center is rated among the nation's best hospitals by U.S. News & World report 14 years in a row and is a 412-bed tertiary and quaternary care hospital with a nationally recognized three-year EM residency program since 1989. The progressive 35-bed ED sees more than 50,000 patients/year and serves as a Level I adult and Level II Pediatric Trauma Center with more than 3,800 annual trauma runs.

The hospital is also a Comprehensive Stroke & Cerebrovascular Center, Comprehensive Cancer Center, Cardiovascular receiving center and regional Burn centers, with Observation and an After Hours clinic in urban Orange County. Completion of an ACGME accredited EM Residency is required. Salary is commensurate with qualifications and proportion of clinical effort. For more information visit: <http://www.emergencymed.uci.edu/fellowships.asp> (To apply: <https://recruit.ap.uci.edu>).

Disaster Medicine Fellowship

University of California Irvine, Department of Emergency Medicine is seeking applicants for the fellowship in Disaster Medical Sciences for July 1, 2016. UCI Medical Center is a Level I Trauma Center with 3,800 runs/year and a 50,000 ED census. Fellows serve as HS Clinical Instructors. The program combines the disciplines of emergency management/disaster medicine and public health with traditional emphasis on systems research including mass casualty management, scarce resource allocation, and triage.

Completion of American Council of Graduate Medical Education (ACGME) accredited Emergency Medicine Residency is required prior to start. One or two year positions are available. The two-year program requires a master's degree and tuition is paid for by the department. Salary commensurate with level of clinical work.

Submit CV, statement of interest and three letters of recommendation at:

<https://recruit.ap.uci.edu/apply/JPF03020>

Emergency Medicine Simulation Fellowship

University of California, Irvine, Department of Emergency Medicine (EM) is seeking a HS Clinical Instructor- Medical Simulation Fellow for July, 2016. University of California, Irvine Medical Center is a Level I Trauma center with 3,800 runs/year, 50,000 ED census with a nationally recognized three-year residency program since 1989. The UC Irvine Medical Education Simulation Center is a new \$40 million, 65,000-square-foot facility that provides telemedicine and simulation-based educational programs and CME courses for thousands of healthcare providers each year. The four-story medical education center includes a full-scale operating room, emergency room, trauma bay, obstetrics suite and critical care unit. The simulation fellow will have the opportunity to educate/train and form cooperative collaborative relationships with medical students, residents, nurses, allied health professionals, EMTs, paramedics, and physicians while developing and delivering innovative simulation curriculum. Our simulation-based content has been implemented in educational courses at the local, regional and international level.

The Medical Simulation Fellowship is a one year mentored fellowship that offers advanced training in simulation teaching, curriculum design, educational program implementation, study design, and research for a graduate of an accredited Emergency Medicine residency program. A two-year track is available for those applicants in pursuit of an advanced degree. Salary is commensurate with qualifications and proportion of clinical effort.

DEPARTMENT OF EMERGENCY MEDICINE FACULTY OPPORTUNITIES

- Associate Residency Director
- Associate EMS Director
- Ultrasound Director
- Quality Director
- Clinical Faculty

Come explore our 947-bed Magnet facility on the campus of Case Western Reserve University (CWRU) in the cultural Circle district of Cleveland. The summer of 2015 marks the fourth anniversary of our new 44-bed state-of-the-art Center for Emergency Medicine (EM) and the graduation of our fourth resident class. We will be designated a level I Trauma center in fall 2015. We also launched our Global Emergency Medicine Fellowship. UH Case Medical Center, including Rainbow Babies and Children's Hospital, is the primary teaching affiliate of CWRU School of Medicine (SOM). We provide quality, compassionate, accessible care along with outstanding research and training. Our EM residency training program with 10 residents per year is part of a GME program hosting over 850 interns, residents and fellows. The UH EMS Training & Disaster Institute provides medical direction to over 120 EMS agencies in northeast Ohio.

We are currently seeking ABEM/ABOEM certified or prepared physicians for full-time faculty positions. You will be appointed at the appropriate rank at CWRU SOM. Salary and academic rank, commensurate with accomplishments and experience.

Qualified candidates should send a CV with letter of interest to Edmundo Mandac, MD, Chair, Department of Emergency Medicine at: edmundo.mandac@uhhospitals.org or call 216-844-1636.

Emergency Department Psychiatrist

In partnership with Regions Hospital Emergency Department and Behavioral Health nursing staff, crisis social workers and Emergency Medicine providers, this position will lead the coordination, quality and efficiency of acute care for mental health patients at their point of presentation to Regions Hospital's Emergency Department (ED) in St. Paul, Minnesota. In addition to being a top Upper Midwest Level 1 trauma and burn center, Regions Hospital is a national award-winning, innovative provider of Behavioral Health services to the Minneapolis/St. Paul metropolitan area and western Wisconsin. The department sees 80,000 visits per year with 10% mental health emergencies.

We seek a BC/BE Psychiatrist who is flexible, creative and engaging; has the ability to triage multiple clinical possibilities with limited datasets under competing demands on skills and time; possesses excellent interpersonal communication skills; and is a strong clinician with a mature sense of priorities/practical experience who can formulate and implement treatment pathways within the framework of hospital, medical group and community resources. Experience in psychosomatics and addictions with an aptitude for liaison work would be valuable assets, and the ability to guide multidisciplinary trainees with teaching and supervision in the emergency environment is a must. This full-time position involves direct patient care in a consultative role within Regions Hospital's ED and includes participation in our related network referral service and coordination with community-based providers to ensure the best continuity of care for emergency mental health patients.

An outstanding benefits and compensation package, talented and energetic staff/colleagues, a rewarding practice and an exciting metropolitan lifestyle await! Submit your CV to lori.m.fake@healthpartners.com or complete our online application at healthpartners.com/careers. For more details, please contact Lori Fake at 952-883-5337 or 800-472-4695 x1. EOE

Assistant Professor/Assistant Professor in Residence
Department of Emergency Medicine
University of California, Irvine School of Medicine

The Department of Emergency Medicine at the University of California, Irvine Health School of Medicine is seeking applicants for a Senate faculty position as tenure -track Assistant Professor (.50), and non-tenure- track Assistant Professor In Residence (.50)

Applicants must have a strong record of peer-reviewed publications, demonstrated potential to be an independent researcher and excellent teaching credentials. The faculty member will serve as a Clinical Scientist in the tenure track.

Candidates must possess a Ph.D., or M.D./Ph.D. with an advanced degree. A California Medical License and Board Certification in Emergency Medicine are required for candidates who possess an M.D. A regionally or nationally-recognized record of scholarly activity and an independent program of research are also required. Preference will be given to researchers interested in investigating the relationship of emergency medicine with public health, health policy and population based health.

The successful candidate will be expected to engage in collaborations with research minded faculty in order to foster the development of research and the pursuit of grant funding in the Department of Emergency Medicine. Additionally, it is expected that successful candidates will engage in an independent and extramurally-funded program of research; medical student and post graduate residency teaching; perform University and public service; and if an M.D., deliver outstanding patient care. Rank, step, and salary will be based upon the candidate's training, qualifications, and experience. Interested candidates should apply online via UC Irvine RECRUIT System, located at <https://recruit.ap.uci.edu/apply/JPF03114>

Complete your application by also submitting a statement on previous and/or past contributions to diversity, equity and inclusion

The University of California, Irvine is an Equal Opportunity/Affirmative Action Employer advancing inclusive excellence. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, protected veteran status, or other protected categories covered by the UC nondiscrimination policy.
